**PART C**

*Use this space to provide any explanations or clarifications for information and data provided as part of the report. (Append additional pages as necessary.)*

In each report of sexual violence, domestic violence, and dating violence, the reporting student provided no identifying information regarding the accused. However, Chamberlain University provided each student with accommodations and resources, including information regarding filing a complaint.

In each report of stalking, Chamberlain University investigated, performed threat assessments, and offered accommodations and resources to both students, including No Contact Orders.

The report of stalking at the Chicago campus involved a Chamberlain University student and DeVry University student. Therefore, the case is also noted in the DeVry University Annual Report.
