PART C

Use this space to provide any explanations or clarifications for information and data provided as part of the report. (Append additional pages as necessary.)

Of the 9 incidents reported, all complainants opted to utilize the 'no resolution' process, as defined by the NUHS Title IX and Sex Discrimination Policy. However, the HEI investigated all complaints, resulting in 1 non-student being banned from campus and a faculty member being dismissed. All complainants confirmed that concerns were resolved and desired outcomes were achieved. Of the 9 incidents reported, 7 complainants requested to report confidentially, therefore identities were not shared with respondents. There were no anonymous reports during the 2016 calendar year. One incident was reported to the Lombard Police Department by the complainant. The HEI attempted to interact with the Lombard Police Department, but limited discussion occurred due to different processes of resolving issues.
