## PART C

Use this space to provide any explanations or clarifications for information and data provided as part of the report. (Append additional pages as necessary.)

-There was one report of sexual violence, a student was assaulted while attending a party off-campus over the weekend. The student was working with local law enforcement within the jurisdiction where the assault occurred. Because it did not occur on campus or within Clery geography we did not initiate our adjudication procedures.

-In the report of stalking, the perpetrator was not a PSC student, the victim reported the incident to PSC police and was referred to local law enforcement in the jurisdiction where the stalking occurred. The perpetrator did not come to the PSC campus.

- There were three PSC students found responsible for dating violence. Two students were given verbal reprimands and behavior contracts and one student was issued a "No Trespass" order.
